

SEASONAL HOME SECURITY CHECKLIST

East Hampton and the Hamptons | Before leaving your seasonal home for the off-season

EXTERIOR DOORS

- Check all exterior door locks and deadbolts.
- Make sure doors close, latch, and lock securely.
- Inspect side, rear, basement, and garage entry doors.

KEYS & ACCESS

- Review who currently has keys to the property.
- Collect keys from former guests, contractors, or service providers.
- Rekey locks if you are unsure who still has a working key.

SECURITY UPGRADES

- Replace worn, damaged, or outdated locks.
- Consider high-security locks or upgraded deadbolts.
- Consider a smart lock for controlled access when you are away.

SECONDARY ENTRY POINTS

- Check sliding and patio door locks.
- Secure garages, sheds, and other outbuildings.
- Confirm every exterior entrance has working hardware.

BEFORE YOU LEAVE

- Remove old smart-lock access codes.
- Confirm trusted contacts still have authorized access.
- Schedule a locksmith inspection for lock or entry-point concerns.
